

# DELCO INFRASTRUCTURE PROJECTS LIMITED

**Highway Construction**

**Power Substation**

**Bridge Construction**

**Indian Railways**

# Incorporation

## **DELCO INFRASTRUCTURE PROJECTS**

**LIMITED (DELCO)**, a Limited company incorporated under the Companies Act 1956 on 14th August, 1998 , is a growing civil construction company in the private sector known for its quality, commitment and consistency in terms of performance.

**DELCO** has widespread operations in several States in India. **DELCO** is a specialized Construction organization covering the entire spectrum of construction activities and services in the infrastructure sector. However, Railway and Highway Construction, Road, Bridge, Power substation (engineering and constructions) and Civil Construction sector are the core competence areas of **DELCO**.

# Incorporation

**DELCO** operates not only in a highly competitive environment but also in difficult terrains and regions in India and is an active participant in prestigious nation building projects.

**DELCO** has so far completed more than 25 infrastructure projects in India and more than 10 projects across the nation are under execution process. The company has executed various projects in the states of Maharashtra, Goa, Madhya Pradesh, Jharkhand, Punjab, Karnataka, Uttar Pradesh, Delhi and Bihar.

# Board of Directors

## Mr. Hare Ram Singh, Chairman cum Managing Director

He has been the cornerstone of the company since its foundation. He is vastly experienced in both the practical aspects of civil construction and in the management and strategic decision making of the organization. He has considerable business interest related to infrastructure field in the area of Highways, Structures, Transmission lines, Electrical Substations, Railways and other infrastructure related civil works.

He is the Chief Promoter and now is Managing Director of the Company.

# Board of Directors

## Mr. Viswajeet Singh, CEO

Mr. Vishwajeet Singh has grown up in and around DELCO environment under the watchful eyes of his father, Mr. Hare Ram Singh, Managing Director and chief Promoter of DIPL. He is a young management graduate having appetite to excel in the field of construction Industry in the infrastructure sector. Mr. Singh is behind all the crucial planning, strategies and execution plans of the company.

He is in continuous touch with all rank of staff and is promoting /encouraging a quality culture and empower employees to act for it.

# Board of Directors

## Mr. Ravi Pratap Singh, Director

Mr. R.P. Singh is master of commerce from Banaras Hindu University, Varanasi 1980. Mr. Singh has more than 20 years of rich experience in the area of accounts, commercial, procurement, material management and liasoning with various departments.

As Director, he is responsible for implementation of accounting principle, liasoning with departments, and procurement of material to meet all the construction requirement on time.

# Board of Directors

## Mr. Amarjeet Singh, Executive Director

Mr. Amarjeet Singh has grown up in and around DELCO environment under the watchful eyes of his father, Mr. Hare Ram Singh, Managing Director and chief Promoter of DIPL. He is a young Engineering graduate and responsible to design, develop and implement strategic plans for the organization in a cost-effective and time-efficient manner. He is also responsible for the day-to-day operation of the organization, which includes managing committees and staff as well as developing business plans in collaboration with the board. He has successfully done joint ventures with many listed companies and is assigned the role of business development of the group.

# Area of Specialization

The company at present is engaged and is acknowledged by various infrastructure undertakings like **Building Construction Company** Govt. of Bihar, **Engineers India Ltd**, **BSEIDCL**, **BHEL**, **BUIDCO**, **Eastern Railway**, **Power Grid Corporation Limited**, **IRCON**, **EPIL**, **Siemens** etc for meeting the time schedule and quality standards. **DIPL** (Delco Infrastructure Projects Ltd.) enjoys distinctive status among several leading contractors in New Delhi.

It has been mainly working in civil construction segment comprising of Paved roads under various Govt. organization like 4 Laning of Construction of GSB, WMM and PQC, Culvert and Minor Bridges, 20 KM Path (211 to 231) at NH2, near Shergati, Gaya, Bihar under National Highway Authority of India, Mega Highway Project, Construction of 4/6 Lane Roads in Construction of earthwork and bridges at Gorakhpur, 10 KM Road. DIPL has executed Drainage works for BUIDCO. Currently for EIL we are executing Sewerage Pumping Station at Delhi . It has also executed various power sector jobs awarded to them by BHEL, IRCON, SIEMENS. Apart from the above projects, DIPL is also working in Indian Railway Department and is having various projects in hand under this department.

# Successful Projects

**Delco Infrastructure Projects Ltd.** has successfully completed numerous civil works contracts ranging in complexity and scale. In particular, our company has a proven history of successful projects for BHEL, PGCL, ER, Siemens, Amrapali Groups and various other departments with whom **DIPL** worked.

# Successful Projects

As a proficient contractor, we always aim to complete our projects within schedule, and on budget. At the same time, we maintain the highest civil engineering standards. We have a proven track record of consistent, dependable project management and contract performance

# Work of Drainage , Sewage Pumping Station

# Our Associates

DELCO's Construction ranks among top national contractors. Its portfolio encompasses survey, design, procurement and construction of buildings, highways, bridges, platforms, infrastructure and development projects covering civil. The Company undertakes EPC contracts with single source responsibility. For the construction industry, the drivers of growth remain robust and the business is expected to grow steadily underpinned by India's growing domestic demand and the existing social and physical 'infrastructure deficit'.

Railway business is India's largest rail system integrators. It offers a range of multi disciplinary services, design and construction of metro rail systems, rail and Rail Bridge, rail station, terminal and building construction, and their operation and maintenance. A special purpose vehicle has undertaken the design, build, finance, operate and maintain the Rail project.

# Our Associates

In order to expand and meet the growing demands in infrastructure sector Company has entered into Joint Ventures partnership (SPV) with renowned companies in their field of expertise namely:

M/s VALECHA Engineering Limited, a leading infrastructure company having a global presence.

M/s VARAHA Infra Limited.

M/s Gulf Precast Concrete Co. L.L.C., a UAE leader in Precast manufacturing for mass housing projects in the Indian Sub continent. We have tied up with Gulf Precast to provide services to the Indian construction industry. This joint venture will focus on mass housing projects in the Indian Sub Continent.

# Work Completion Certificates

**Delco has successfully completed projects of many prestigious Clients for which satisfactory work completion certificates has been awarded to us.**
